

First United Methodist Church School for Little People

School for Little People's Application for Tuition Assistance

Before you complete these forms please read and understand the following:

- **All information is confidential.** This application is put before the SLP Administration and a First United Methodist Church representative; however your identity will not be disclosed unless requested.
- **Applications may be made in the school office and must be approved by the above-mentioned parties. If you wish to apply for assistance, you must complete the scholarship form and provide proof of income via payroll receipts and last year's income tax. No application will be reviewed by committee unless all required materials are attached and received by the deadline date.**
- Filling out this application does not guarantee a scholarship will be awarded. We look at all applications regardless of race, religion, creed, or national origin and do not discriminate against persons with disabilities.
- Full scholarships are not granted. Scholarships are generally awarded for **up to** ½ of the Preschool tuition amount. Scholarships do not go towards Early Birds or After School.
- Scholarship recipients are required to pay their portion of the tuition according to the tuition guidelines. If the applicants become 2 months past due, they will forfeit their scholarship.
- If you receive a scholarship, and at some time during the school year no longer need it please let us know.
- Donations are accepted to the scholarship fund at any time. Your contribution will be gladly accepted if you feel, at some point in the future, you are able to contribute to the SLP scholarship fund; thus, perhaps, allowing another child to attend the school, as this scholarship will allow your child to attend.
- **Scholarship application deadline is May 1, 2026.**
