

2026 WFISD Prayer Walk

Gracious God,

As a new school year begins, we gather to ask for your blessing over every campus in Wichita Falls.

Be with our students as they head back to class. Give them curious minds, kind hearts, and the courage to do what is right. Help them grow, learn, and encourage one another along the way.

Be with our parents and guardians. Give them wisdom, patience, and peace as they guide and support their children throughout the year.

Be with our teachers, staff, and administrators. Thank you for the care, time, and energy they pour into our students each day. When the days are long, renew their strength. When the work is hard, remind them that what they do matters.

God, we also ask for your protection. Watch over every campus, every classroom, every bus ride, every playground, and every event this year. Keep our students, teachers, and staff safe, and let your peace be felt in every school.

We ask that you show each of us how we can encourage and support our schools—not just today, but throughout the year.

Above all, remind every person who walks through these doors that they are loved, they are never alone, and that you go with them wherever they are.

We trust this school year to you. In Jesus' name we pray. Amen.

*****Please post a picture of your group on the social media of your choice using the hashtag #WFISDPrayerWalk or text your pictures to (940) 461-8280.**

THANK YOU!
